

FUN RALLYE REPORT

by Tom & Elly Palmer

The 8th Annual FUN RALLYE was held on Sunday the 1st of June. It was a sunny day for top-down driving. We had 30 cars, including 15 cars of virgins (first time on a SCC rally), and 7 cars from other clubs. Bill Heede thought it was hilarious that the route took all those virgins through Cherry Valley!

We had 2 event numbers this year, so the 1st half and 2nd half were separate rallyes. The 1st half started at Culver's in Woodstock, and ended at scenic Rock Cut State Park (just NE of Rockford). The 2nd half went S through Cherry Valley and along the river then back N to the restaurant. We hope you had some fun with the group, and thank you for joining us today!

Pat Stevens, Pat Granzberg, Julie Thomas and Elly did check-in and registration, **Mike Stevens, Jim Downing, Dave Thomas and Karen Hottenrott** did safety & tech inspections, then **Mike** helped me send cars out. **Pat, Pat, Julie, and Elly** worked the half-way point and graded answers, and **Mike & Dave** helped me check cars in at the finish. **Mike & Pat Stevens** set up the first half of the Rallye and the photo poster board.

Thank you for all your help!

After 75 miles and a couple of hours of driving through the countryside west of Crystal Lake, everyone enjoyed a bountiful meal at The Machine Shed Restaurant which is on the east edge of Rockford (near business Route 20 and I-90). A picture board showed answers to the questions from the rally, and we had some really good stories over dinner.

After dinner, awards were given. All the virgins were awarded buttons, the long distance award of an Illinois map was given, and the lead-foot traveling trophy was presented (Ralph got it back).

The top awards were: 1st place received either a folding cooler with wheels or set of 4 glasses which were etched with Corvette C6 emblems, 2nd place received a yellow Sunburst car blanket, 3rd place received boxes of Corvette cookies. **Congratulations** everyone!

If anyone would like to help plan a rally leg or help with the rally next year, let us know. This is a good chance to participate and have fun, even if you don't like driving in rallyes.

1st HALF RALLYE, official time 1:00:00, miles 46.3

	COMPUTED	Miles	Help	Questions	AWARD
	TIME hr/min/sec		Open	Missed
