Message from The President

President
Dee
Rosendahl

June is here and it looks very much like summer is on its way. COVID-19 numbers are down, and many events & activities are starting to show up on the calendars.

Woodstock Memorial Day Parade to honor veterans was our first event of the year. It is a great way to start the season and we are always happy to be included.

As you know, we have had our membership and board meetings virtually for the past year and this has worked out very well, while the state has been basically closed. We are looking forward to starting up our in-person membership meetings in July. We will continue to offer the meetings on ZOOM as well for those that are not ready to meet in a group. The June Membership meeting will be via ZOOM, but the June Board Meeting will be in-person for Board Members and Committee Chairs with ZOOM being offered for everyone else.

We have several trips and events on the Sunburst Calendar, including a Cruise Night at the Moose in McHenry on June 15th and the Crystal Lake 4th of July Parade. Later this summer we have Autocross events and of course, the Sunburst Car Show in September. Check out the Sunburst Events Calendar on the website for additional events.

One of our sponsors, Jarid Brockman “Edward Jones” has graciously provided the \$200 entry fee for Sunburst to participate in the Algonquin Founders Day Parade on Saturday, July 24th. We are looking for a member to coordinate this event. If interested, please contact myself or Mike Moushey for more details. It is a fun event, and our corvettes are always a crowd pleaser.

Let’s not forget to wish our Sunburst Dads a Happy Father’s Day!

We will see you soon!!

Save the Wave!

Message from The Governor

Governor

Greeting Fellow Sunburst Members,

June 2021

I am really tickled to spread the news that the Midwest Region competition season is off and running for 2021. As of this writing, the region has seen two autocross events, a People's Choice Car Show and a rally. We're already way ahead of last year's dismal competition season.

I had the opportunity to participate in the two autocross events, both held in Rantoul, IL., at the old Chanute Air Force base. These were the first autocross events for my 2017 Grand Sport. It took a little while to get the feel of the car and its capabilities, but I really felt the difference from my 2012 GS. **Jim and Joanni Downing joined Pat and I** at the second event. There is a three day event on Memorial Day weekend, back in Rantoul. I plan on racing on Saturday and would love to have some company to watch or race.

June will be a slow month for regional competition, because no events are scheduled during the NCCC convention being held in Cleveland. On June 5th there are rallies in LaCrosse, WI, and on June 6th rallies in New Berlin WI. The month ends with a Car Show, sponsored by Windy City Vettes, in Tinley Park on June 27. So it's time to fill the weekends with Sunburst events. Don't wait for some one else to plan something, get your act together and put together an event for our Club.

Mike Moushey and I are forging ahead with our plans for Sunburst to host a two-day autocross event at McHenry County College on August 7 & 8. This event has the potential to raise some needed dollars for our designated charities. In order to pull this event off, we will need the help of a number of Sunburst members. We will need volunteers to help set up the registration area, park cars, stage the racers, start the racers, and most importantly corner workers. **Mike Moushey** will have a sign up sheet for the June July and August membership meetings and will be able to describe the duties. We'll have time slots in 4 hour shifts, so you won't have to devote an entire day, unless you really want to. We really need to make this a club effort to be successful.

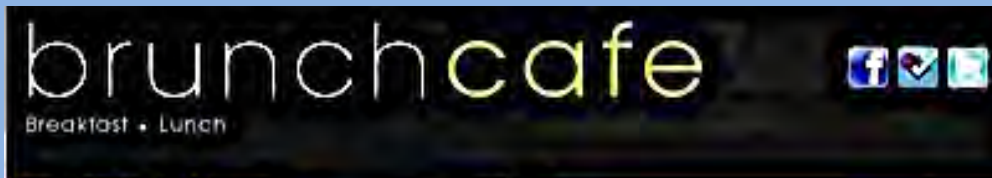

Our autocross events, in August, will also give Sunburst members a chance to try out this activity without traveling distances or spending a lot of money. We have also provided people with the opportunity to register for one, two or three events, rather than a whole day (7 events) of racing. Sunburst also has a few "loaner" helmets for use. These helmets meet current NCCC standards and members will be able to use them for free. For those, still too timid to drive in an autocross, we will be able to allow passengers in the cars, with a few restrictions. **COME ON OUT AND GIVE IT A TRY.**

Enjoy the warm weather with your Corvette and give some of the Regional events a try. You'd be surprised how much fun you can have and how many great people you can meet.

Mike Stevens, Governor

This contemporary breakfast and lunch café opened its doors in February of 2008. You'll find plenty of breakfast basics here, but we're also well-known for our decadent twists on the regulars... like stuffed French toast, blueberry bliss cakes and berry explosion waffles. Savory options include and avocado-topped breakfast quesadilla and potato skins filled with scramble eggs, ham, peppers and cheddar cheese.

Brunch Café is perfect place to start your Corvette day. There's plenty of parking and the service and food are both exceptional!

Corvette Powered Exhibit Coming To NCM

There is a new exhibit at the NCM starting Memorial Day weekend showcasing vehicles, specifically mid-century non-General Motors/non-Corvette vehicles, that utilized Corvette engines and drivelines called Corvette Powered.

At a time when America's automotive industry was lacking, the small-block Chevy V8 engine changed everything. It was quickly discovered that other engines could not compete with Chevrolet's engineering of the Corvette engine. As a result, some manufacturers, rather than developing their own engine, approached Chevrolet and purchased Corvette engines or drivelines for their cars.

The use of Chevy's small-block engine within both American and European sports cars and GT cars was seemingly the answer to the problem. To honor their use of Corvette engines, the exhibit will feature a 1977 Avanti II and a 1966 Excalibur.

From European and American sports cars to boats and motorcycles, the Corvette engine has powered more than just Corvettes over time. As explained by Director of Collections/Curator, Derek E. Moore, "this exhibit shares a piece of Corvette history and explores the stories of unique vehicles and their use of Corvette engines."

Other vehicles to see in the exhibit include a 1958 Scarab, 1967 Bizzarrini Strada, 1965 Impala built by Chip Foose, 1969 Mangusta, and more. Visitors will be able to enjoy the Corvette Powered exhibit through Bash of 2022.

Corvette to Pace the Indy 500

May 30, 2021, at the 105th Indianapolis 500, a 2021 mid-engine Chevrolet Corvette Stingray Hardtop Convertible will lead the 33-car field to the green flag. This 2021 Corvette will be the first convertible to pace the Indy 500 since 2008. This is not the first time Chevrolet or Corvette has led the field. The 2021 Indy 500 will be the 32nd time for Chevrolet to lead the field and the 18th time for Corvette. In fact, this is the second year in a row for a mid-engine Corvette Stingray to serve as the pace car.

This 2021 Corvette Stingray Convertible has an Arctic White exterior and a complementary interior with Sky Cool Gray and Strike Yellow upholstery. The exterior of the Corvette has been festively adorned with decals for the race. These additions include Indy 500 logos, yellow and gray stripes, special Stingray decals, and more.

Corvette engineers integrated four taillights into the tonneau cover nacelles. Strobe lighting has also been placed in the headlights, front louvers, and taillights. The Stingray convertible's design was inspired by fighter jets. The aerodynamically shaped nacelles work to decrease air circulation within the cabin and deliver a unique profile. Along with racing harnesses and emergency lights, the 2021 Corvette Stingray Convertible also is equipped with the Z51 package. This allows the Corvette a top speed over 180 mph, but the pace car only needs to reach 130 mph at the race. At this year's Indianapolis 500, Chevrolet is putting their best on display for the fans. Read more on the pace car at the Indianapolis Motor Speedway website by following this link [2021 Corvette Pace Car](#).

Hi Sunbursters!!!

The Board has decided to do the Back to School donations for the Salvation Army as we have done in the past. They have scheduled their distribution to the families the first week of August. So after speaking with Jeff from Salvation Army, we agreed that donations will be brought in by July 15th.

I have attached a list (please refer to following page) I received from him with ideas and suggestions.

Because we are still having zoom membership meetings, we are going to again meet at Galati's parking lot for the donation collections. This worked really well last year. We will be meeting in the parking lot on Saturday, July 10th, from 11:00 to 1:00, and then bring everything in to Salvation Army on July 15th.

If you can't make it at this time, another option is to bring your donations to one of our houses – no later than July 8th - but please call first to let us know when you are coming so someone will be home!

One other option, you can bring your donations directly to Salvation Army. The address is 290 West Crystal Lake Avenue, Crystal Lake, IL. Go in through the door off the parking lot, from 8:30 - 4:00. Our contact is Jeff Pal. Please be sure to tell them you are from Sunburst!

Again, thank you everyone for your wonderful support of this annual Back to School event. Please call or email if you have any questions.

TWO MINUTE TECH TIP

Jim Downing

Our car is a C7 Z51, which means it has the dry sump oil system. Should be identical to a C7 Grand Sport and similar to a C7 Z06 or ZR1 but perhaps not identical. (The Base C7 has a very different system that must be checked differently.)

We are supposed to check the oil level 5-10 minutes after shutdown at 175' OIL temp, but I wondered how much difference the time actually makes. Or does it make any difference at all???

I top off the oil so that it comes to the Full hole on the dipstick when checked as per the Manual- oil temp 175'F, checked at 7 1/2 minutes (right in the middle of the official time window).

Yesterday I checked the oil at a number of different times after shutdown, to see how fast the oil drains from the tank down into the engine.

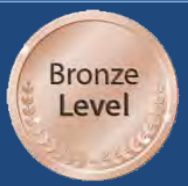

Minutes After Shutdown, Inches Above/Below the Hole:

- 1, +1/4"
- 2, +1/4"
- 3, +1/8"
- 4, +1/8"
- 5, +1/8"
- 6, +1/8"
- 7, at top of Full hole
- 8, at top of Full hole
- 9, at middle of hole
- 10, at middle of hole
- 11, at bottom of hole
- 12, at bottom of hole
- 13, at bottom of hole
- 14, - 1/8"
- 15, - 1/8"
- 20, - 1/8"
- 25, - 1/4'
- 30, - 3/8"
- 45, - 3/8"
- 1 HR, - 3/4"
- 2 HR, at bottom of Add hole
- 3 HR, 1/4 " below Add hole
- 4 HR, 1/2' below Add hole
- 5 HR, 1" below Add hole
- 15 HRS, 3 1/4" below Add hole

I didn't try to use a micrometer on the dipstick, just carefully laid it beside a ruler and rounded off to the nearest 1/8".

The car is a 2017 Z51 A8, 36k miles, using Mobil1 0W-40 ESP Dexos. Air temperature during the test was 65-75'F.

How to – Create a Club Activity

THINKING OF AN ACTIVITY OR EVENT

Any Member can plan a club event. Doing so can be fun, create a good forum to interact with others and everyone is encouraged to think of new or different activities. This could be planning a Sunburst Corvette Club Activity or making arrangements for Sunburst Members to participate in another organizations' event.

IF you have ideas for a future event/activity don't be afraid to step forward. When practical, begin well in advance in order to obtain participants and make necessary reservations or collect pre-payments. Talk-up opportunities with Members whenever possible, via Groups IO, our Facebook Group Page or at Membership Meetings.

Ask for guidance – others have planned activities and will gladly offer their expertise. Going where we can drive our Corvettes and congregate is why many of us belong to a Corvette Club. Remember we often travel/tour as couples so incorporate spousal interest activities.

Some general event ideas include:

- *Any destination where you have been or wish to go that may interest other Members. May involve route creation, overnight accommodations and arranging meals.
- *Cars and Coffee at local coffee shops or plazas,
- *Car Shows often arranged by local restaurants or pizzerias to encourage diners,
- *Gatherings at auto-parts stores, pet shoppes or shopping malls offering public-interest, community cruise-ins, holiday/veteran/homecoming parades organized by others but open to Sunburst Members.
- *An activity to support a Charity, Senior Living Facility or Food Bank
- *Track events (e.g. Road America, Go Karting, NCM Motorsports Park)
- *R8C Delivery of a Member car or other National Corvette Museum Event. The Bourbon Trail or various Equestrian activities are nearby too.
- *Seminars for Corvette or automobile-related subjects (e.g. car detailing, Preparation techniques for being judged at a Car-Show, tuning, maintenance)
- *Museums or Collections – the Midwest has many interesting ones
- *Organized drives either local or long distance (e.g. seasonal festivals, fall colors, etc.)
- *Anywhere for something good to eat at an interesting place (restaurant, winery, historical site.)
- *Create a Picnic, BBQ, Potluck at a local park

How to - Create a Club Activity

*Autocrosses – participate or assist. Use the opportunity to promote our Club autocross event

There are available tools to guide you.

- A) IMPORTANT FIRST STEP - Look at the [Sunburst Event Calendar](#) for openings where date(s) have not been reserved. Consider potential alternative date(s) or rain date(s). The Board will not approve conflicting Club activities.
- B) Develop a “Flyer” to promote the activity to Members on-line and at meetings.
- C) Print a copy from this link of the [Sunburst Event Approval Form](#), it will guide you for information the Board needs to approve your event and enter it onto the calendar.
- D) Submit your Sunburst Event Approval Form and Flyer to the Sunburst Board by email at: Board@SunburstCorvetteClub.com in advance of the monthly Board Meeting held the 2nd Wednesday of each month. You may be contacted should multiple submissions with conflicting dates be submitted. The Board wants to approve all submissions – the **only** reason for Board approval is to prevent conflicting activities. Once approved and entered onto the Sunburst Event Calendar your event date is secure.
- E) Sunburst Corvette Club is a member of the National Council of Corvette Clubs (NCCC). For all events, participants MUST sign a [NCCC Release and Waiver of Liability](#). Print sufficient copies from this link, complete the heading and have ALL participants sign before departing on the event.

Later, send completed document(s) to: governor@Sunburstcorvetteclub.com.

HELPFUL PLANNING CONSIDERATIONS

These may not apply to every event, applicability depends on matters specific to your activity; and this list of hints may not be complete. Please remember, if you’re planning something, others have gone before you so take advantage of their experience by inviting someone to partner. The goal is to have a good time.

*When your event is more impulse, we refer to these as **Flash Drives**. NO PRE-APPROVAL is necessary. This might be for ice cream on a summer day, dinner or just a drive, etc.

- a) Simply get an email blast out via Groups IO using: Sunburstmembers@groupsio. Provide a gathering location, time and destination.
- b) Sunburst also has a closed Facebook Group page (Members MUST be registered into the Group to post or receive) for communication, simply open Facebook and under Groups connect to: Sunburst Corvette Club.
- c) Interested Members will respond and meet you.

*Dates should be identified in advance as far as practical to help coordinate events.

*Arrange specifics relevant to each activity such as:

Volunteers – what help is needed and how many helpers

Equipment/Supplies/Sponsors/Vendors/Prizes

Will Members want to bring chairs or shade structures?

Catering/Restaurants – Contact restaurants well in advance. Determine what accommodations they offer for your size group. Keep in mind that all of us

How to - Create a Club Activity

arriving at the same time can overwhelm a kitchen so work with the restaurant enabling them to schedule necessary wait and kitchen staff.

Separate checks per couple are the club preference. Arrange with restaurant.

PRE-PAYMENT - IF advance payment is necessary for anything (be it food, admission, ferry, etc.) determine the amount and have participants remit via PayPal or give you a check payable to Sunburst Corvette Club. Give any checks to the Sunburst Treasurer (the Event Organizer has the option to request checks be payable to themselves) who will deposit for your event. The club considers these pre-payments to be "Non-Refundable". Then you can make the advance payment on your credit card. When you submit a receipt to the Treasurer you will be reimbursed. This method maintains integrity of money. IF someone must cancel, a late registrant can reimburse the initial Member for their pre-payment and be substituted.

Lodging – If overnight accommodations are planned, most hotels will reserve a block of rooms with a preferred rate for a period of time in advance. Speak with the Reservation Agent, sometimes they will even arrange special parking for our group. It is recommended that the respective hotel(s) be mentioned in your communication with the dates and agreed upon rate. Provide a telephone number for participants to **each make their own reservation**. As Event Planner it is a good idea that you keep in contact with the Reservation Agent(s) to verify reservations have been made by everyone for the correct date and location. Many Sunburst Members have Hilton frequency accounts and we have enjoyed hospitality at their Hampton Inns and Homewood Suites where Members can earn/redeem points for their room(s).

Route Planning – There are numerous routing programs on-line such as MapQuest and Google Earth, or simply study a map or Rand McNally atlas. Scenic, off-interstate driving is a favorite when possible/practical. Whatever the destination:

- a) Create a planned route to drive.
- b) When possible, turn-by-turn directions with a copy given to each car is recommended. IF your destination is relatively close, pre-driving to learn road conditions is a good idea.
- c) Trip directions can be emailed to participants in advance but ALWAYS have a few extra copies at the Drivers Meeting prior to departure for someone who forgot.
- d) Provide addresses of destinations, including restaurants, rest points and hotels. Should people get separated they can enter the address into their phone or Navigation.
- e) Gather and share telephone numbers of participants for use in the event of separation.
- f) Plan for frequent breaks – at least every couple hours. Highway rest areas, chain restaurants, convenience stores or gas stations. Include these as part of your route.
- g) IF many cars will be participating, divide into groups of 5-6 cars. This number can remain together thru traffic and intersections.

*Some Members have preferred companion-members to travel with, so ask.

*Perhaps arrange for experienced Members to be the Group Leader and Back Door. Many have CB or GMRS radios and are the best candidates for those positions.

*IF someone needs to stop for a mechanical issue, fuel or facilities, accommodate them – keep the group together.

How to – Create a Club Activity

Organization – Create and maintain a spreadsheet with participants names and relevant information.

Assembly – Frequently we assemble at a restaurant - allow sufficient time to enjoy a meal before the designated departure time. Often we support one of our sponsor restaurants in this manner. Arrangements with the restaurant will be necessary.

Drivers Meeting - should be conducted immediately prior to departure to have Waivers signed, distribute any pass-outs, communicate information and enable groups to assemble. Groups will space themselves.

We hope this will be helpful and encouraging for Members, long-time and new, to plan an activity. Only you know why you joined Sunburst, but most likely it was to enjoy your car with others sharing a similar passion. As a club, we depend on ourselves to fulfill the passion – it doesn't happen automatically.

SUNBURST CORVETTE CLUB Sponsorship Opportunity

Greetings,

We are pleased that you have expressed an interest in sponsoring **Sunburst Corvette Club (SBCC)** and would like to provide you more information on our club and the opportunity for a partnership as a sponsor.

Sunburst has been an active club within the Northwest Illinois Counties for over 45 years and is a 501c3 non-for-profit organization. We have a current membership of over 130 Corvette enthusiasts and are one of the largest clubs in the Northwest Region of the National Council of Corvette Clubs (NCCC).

We enjoy hosting many Corvette related events and activities throughout the year i.e.

- **Monthly Club Meetings**
- **Fun Rallye's**
- **"Struttin Ur Stuff" Car Show**
- **Cruise Events**
- **Parades**
- **Sponsor Events**
- **Autocross Racing**
- **Cruise Nights**
- **Competitions at local / regional level**

We take much pride in giving back to our communities and each year we donate all of our net proceeds to local designated charities. Our funding is generated from club dues, sponsors, and funds raised at club events. Each year we donate an average of ~\$4,000 to our 5 designated charities within our local communities.

In exchange for your annual sponsorship fee, your sponsorship level business ad will be published in the award winning monthly **"Sunspots"** newsletter and also posted on our website with a link to your business website. Your business will also be highlighted at our monthly meetings on your initial sponsor month and each anniversary date you renew. You will also receive a recognition sponsorship plaque to promote your support for the club. Additionally, our membership takes pride in supporting our sponsors throughout the year.

Please feel free to review our website referenced at www.sunburstcorvetteclub.com to view the newsletter and more information on our various activities and the sponsorship pages.

The screenshot shows a website page with a header image of a car on a road. Below it is a photo of a car show with many cars parked on a grassy area. To the right of the photo is text about monthly meetings. At the bottom are several logos including NCM Events, Sunburst Corvette Club, and NCCA.

Our monthly membership meeting occurs on the first Thursday of every month (except January) at Galati's Hideaway located at:

800 Feinberg Ct.
Cary, IL 60013

The meeting starts at 7:00 PM but members arrive earlier to eat and socialize beforehand.

Potential members are always welcome to see what we're all about!
