Spring is finally here (at least most of the time)! With that the opportunities to enjoy your Corvette are plentiful. There are cruise nights during the week and car shows and driving events on weekends. If you are going to a cruise night or car show, be sure to send out an e-mail to sunburstCCmembers@groups.io to let other Sunburst members know, you might be surprised how many members will join you.

There are a couple of great events in June. First is the Cary "Corvette" Cruise night on June 19th. This is always a great cruise night with lots of fun and music with a lot of fantastic cars. Next is the Sunburst Poker Rallye on June 23rd. For all of you "Newbies," I encourage you to get out and try these events, as it is the best way to understand what Sunburst is about, meet members and enjoy the club. Being involved is what Corvette fun is about!

If you were not able to participate in the Memorial Day Parade in Woodstock, you could still have a chance to be in a couple parades in July. The Crystal Lake Parade is on July 7th and the Founder's Day Parade in Algonquin is coming up on July 27th. Watch for more information on these parades. They are a fun way to show off our great corvettes.

Make sure to continually check the Sunburst Online Calendar on our website, as we continually add new events of all types.

Our Car Show (September 15th) is starting to take shape and will be here before you know it. There are plenty of opportunities for everyone to step up and help with all the many tasks that go along with hosting a car show. This is everyone's car show, so we need you to make it a great success. The sign-up sheet will be at the membership meetings, so be sure to sign up and be a part of a great show!

I would like to wish our Sunburst Gentlemen a Happy Father's Day!

Dee Rosendahl

May was a quiet month for events within the Midwest Region (MWR) as the Annual NCCC convention took most of the focus in Joplin, MO. Following many of the social media posts, it looks like all had a great time and participated in many events including, scenic tours, drag and autocross racing, a hillbilly pool party and plenty of culinary visits to great local restaurants. Our own MWR Executive Linda Fairlamb received the fastest of the day award with a homemade creative trophy. A ceremonial passing of the NCCC flag was provided to Joan Thomas and Tim Wood from Mad City Vettes to commemorate the transfer of responsibility for hosting the next NCCC convention in 2025. There were 250 registrants for the convention.

As a friendly reminder, Sunburst has committed to host one of the Wildcat Rallye's for the 2025 NCCC convention located in Wisconsin Dells August 17th – 22nd 2025. We will be queueing this up with the club for interest later this summer for volunteers. If you have not already, I invite you to pull up the information pages on next year's convention as it is being hosted within our own MWR by Mad City Vettes.

Here's the link: <https://www.mwregion.com/convention2025.html>

One of the two annual MWR fundraiser autocross events were held over the Memorial Day weekend at the Chanute Air Force Base in Rantoul, IL and attended by our own Mike Stevens and Jim Downing.

June is now ramping up with several NCCC sanctioned events including several people's choice (PC) car shows, rallye and autocross events. Check out the activities in your MWR website link: https://www.mwregion.com/schedule_2024.pdf

Many Sunburst events are now scheduled for you to get your car out and participate. Drive outs, parades, car cruises and even a "flash drive" for Ice cream was held recently. Check out the Sunburst event calendar on the website for upcoming events.

Look out for ways in which you can participate and enjoy the fellowship with other members. I encourage new and seasoned members that have a good idea for a flash drive or even, but may not be sure on how to proceed, to reach out to myself or other board members for assistance.

Looking forward to seeing many of you out enjoying the warm summer days.

National Corvette Museum Is a 2024 Blue Star Museum

The National Corvette Museum announced it will join museums nationwide in the Blue Star Museums initiative, a program that provides free admission to currently serving U.S. military personnel and their families this summer. The 2024 program will begin on Armed Forces Day, Saturday, May 18, 2024, and end on Labor Day, Monday, September 2, 2024. Learn more and find the list of participating museums at arts.gov/BlueStarMuseums.

Blue Star Museums is a partnership between the National Endowment for the Arts and Blue Star Families, in collaboration with the Department of Defense and participating museums across America.

BLUE STAR MUSEUMS

“The National Corvette Museum has celebrated and honored our Military members by hosting an annual Vets ‘n Vettes event for more than a decade, as well as offering special admission to Military personnel and their families,” shared Bryce Burklow, Interim Chief Operations Officer. “We look forward to our inaugural year as a Blue Star Museum and eagerly await to welcome new and returning Military families to our Corvette campus.”

“We are grateful to the National Corvette Museum for participating in this summer’s Blue Star Museums program and we hope military families will take this opportunity to create meaningful, lifelong memories,” said Maria Rosario Jackson, PhD, chair of the National Endowment for the Arts. “Whether you are traveling this summer, getting to know a new duty location, or exploring what your community has to offer, Blue Star Museums is a wonderful opportunity to create connection and find inspiration.”

“Military families love Blue Star Museums, and we couldn’t run this program without the National Endowment for the Arts and the museums across the nation who show they care by participating,” said Blue Star Families CEO Kathy Roth-Douquet. “Access to museums enriches military families, creates wonderful family memories, and helps us feel connected to our communities so that we can thrive and do the hard job we have to do for the country. I am delighted for us to launch the 14th year of this very special program.”

In addition to the National Corvette Museum, the Blue Star Museums program includes children’s museums, art, science, and history museums, zoos, gardens, lighthouses, and more, and hail from all 50 states, the District of Columbia, Puerto Rico, and the U.S. Virgin Islands. The [current list of participating museums](#) will continue to grow over the summer as organizations are welcome to [register to be a Blue Star Museum](#) throughout the summer.

The free admission program is available for those currently serving in the United States Military—Air Force, Army, Coast Guard, Marine Corps, Navy, and Space Force, members of the Reserves, National Guard, U.S. Public Health Commissioned Corps, NOAA Commissioned Corps, and up to five family members. Qualified members must show a [Geneva Convention common access card](#) (CAC), [DD Form 1173 ID card \(dependent ID\)](#), [DD Form 1173-1 ID card or the Next Generation Uniformed Services \(Real\) ID card](#) for entrance into a participating Blue Star Museum.

A Note from the Editor

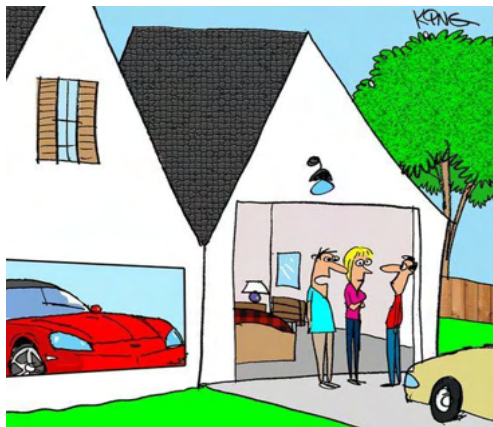

And that's a wrap! Thanks for reading this edition of Sunspots. I hope you found the newsletter "newsy" so that you are informed about all of the exciting things going on for you as a member of Sunburst Corvette Club!

You will be receiving the minutes of the May meeting separately via email this month so you have them prior to the June meeting where they will be approved by the membership.

Sometimes the internet gremlins mess with things so you will note a couple of letters from Board members which contain links. In case those links do not directly connect to the source material, you can always copy the link to your browser and find the material there.

And last- several parades are coming up - so practice your wave!
